PRICE LIST  
★ ★  
HARDY PLANTS

LIBRARY  
RECEIVED

U. S. Department of Agriculture

Hobbs Road at Estes Avenue  
NASHVILLE 5, TENNESSEE

This price list cancels all previous lists or quotations. It is best used in connection with our descriptive catalogue. If you have misplaced your copy, another will be mailed you on request.

We have only one price which is for plants only and does not include planting. If planting is desired, charges will be made for the time and materials necessary to complete the work.

**Terms of Sale**—Our terms are net cash unless arrangements have been made for credit. All accounts are due on the first of month following date of purchase. Interest at 6% will be charged on accounts after 60 days.

**Shipping**—Orders to be shipped should be accompanied by check, money order, or draft, except C.O.D. orders, which should be accompanied by remittance for 25% of total amount of the order.

**Delivery**—No charge is made for local deliveries but on all shipments the purchaser is expected to pay the carrying charges. Unless specific directions are given for way of shipment we reserve the right to use our discretion. On small shipments by parcel post 10% should be added to order to cover mailing charges.

The prices shown herein are for standard sizes and grades of stock. Proper pruning and transplanting produces many plants that are heavier and nicer than standard grades. Prices for these will be in proportion to their value.

Selected plants tagged in the nursery will be charged for according to value regardless of the prices listed herein.

**Guarantee**—We guarantee all of our stock to be true to name and to be clean, healthy, transplanted stock. Our stock has been certified by State employed inspectors to be "apparently free of injurious insects and diseases."

All stock (except Bulbs, Roses and Perennial flowers), if planted by us and paid for promptly, is guaranteed to start to grow during the growing season immediately following the planting thereof. Stock which dies during the first growing season will be replaced for one-half of the original price plus planting cost, if there is no evidence of neglect and provided the variety is available. If variety is not available, credit will be given on other plants of the purchaser's selection.

**No Refunds Will Be Made.**

**Free Advice**—No charge for consultation at the nursery, or for suggestions as to planting on premises. If landscape plans are drawn, a nominal charge will be made which will be credited on plants purchased at rate of 5%. Advice on the client's premises will be given only as our time permits.

*Thor, scarlet red, Pat. No. 389 .....	2.50

Our roses are grown in California by the best growers of roses anywhere.

## THEY LIVE TO BLOOM AGAIN

With the approach of winter, all growing things prepare for their period of rest . . . among them, perennials. Plant them in the fall, so they can fulfill their promise of a colorful season of bloom from early spring to autumn.

We have a large selection from which to choose. Perennials will afford a lovely display of color practically every month in the year.

We suggest a visit to our nursery today.

### PERENNIALS FOR PERMANENCE

This list contains those perennials which grow satisfactorily in this section. Other varieties are sometimes available.

Special lists of some varieties follow this list.

The prices of all perennials, unless otherwise indicated, are 3 for \$1.35 and \$5.00 per dozen.

\*Denotes varieties suitable for rock garden.

Rhubarb, Victoria, 2 yr., 1" up . . . . .	.25		

# NEW HOMES

*Demand*

## MODERN EVERGREENS

*Y*OU wouldn't think of installing a wood burning stove in your new home. Then why plant old-fashioned, out-of-scale, tall growing evergreens to obstruct views from windows and doorways when so many new varieties of low, slower-growing, rich foliated evergreens and shrubs are available for your selection.

Visit our nurseries today and see the fine selection of all the modern new evergreens we have to offer.
